3 BEDS | 3 BATHS

WATERFRONT

Nestled amongst the trees on an 8.49-acre waterfront lot. This exceptional family home provides the perfect balance of beautiful design elements, close at hand amenities, and a tranquil setting at your doorstep. Step inside this custom-built property that showcases three bedrooms, three bathrooms, and an open concept layout that makes entertaining a dream. The living room highlights a feature fireplace, a soaring ceiling, and floor-to-ceiling windows that enhance natural light. The large gourmet kitchen opens to the dining room and features custom cabinetry, granite countertops, elongated tile backsplash, stainless steel appliances, and a centre island with space for seating. There is also a main level primary suite that provides a romantic retreat with a 3-pc ensuite, and dual walk-in closets in the design.

A modern floating staircase leads upstairs, where two secondary bedrooms, a full bathroom, and an expansive balcony are provided. There is also a family room with a wood burning fireplace and a wet bar to ensure refreshments are always at hand. From here, walk through to the bonus room, and continue to the dedicated home gym that features interior access to the two-car garage below.

Outside you are greeted by a serene backdrop featuring a covered porch, a hot tub, and a plunge saltwater pool. The natural beauty winds its way down to the water with views of the treetops and an Osprey nest. Paired with a dock and incredible water vistas, this is a remarkable setting overlooking the Rideau River.

Foyer, Living Room and Dining

Update & Points to Note

- Located in a picturesque setting of 8.498-acres just south of Manotick Village. Approximately 453.19 ft of water frontage on the Rideau River is featured, with a 16ft L-shaped dock.
