WHITE LAKE

This exceptional property encompasses two adjoining lots, together offering just over 2 acres of land. The two lots are in the process of being merged, providing an expansive parcel with plenty of space and privacy.

Set among mature trees, this beautifully appointed property offers a peaceful setting with contemporary design and a private, wooded backdrop. Located along the Madawaska River, this three-bedroom, three-bathroom residence offers a refined blend of style and functionality, with an easy commute to Arnprior, Calabogie, and Ottawa.

The striking exterior showcases clean contemporary lines, highlighted by a covered front entrance that creates a welcoming first impression.

Inside, the bright open-concept main floor is filled with natural light and offers a seamless flow between the principal living spaces. The kitchen features shaker-style cabinetry, quartz countertops, a centre island, and stainless steel appliances. The living room, anchored by a fireplace, opens to the dining area and sunroom, where vaulted ceilings and expansive windows showcase the private, tree-lined backyard. The main level includes two bedrooms, including a primary bedroom with a walk-in closet and private ensuite bathroom.

The finished lower level offers additional versatility with a walkout design, featuring a recreation room with a second fireplace, an additional bedroom, flexible living spaces, and a full bathroom.

The outdoor setting offers a peaceful connection to nature, with a deck overlooking the tree-lined backyard, steps leading to an interlock walkway, and open green space framed by mature trees. Extending to the Madawaska River, the property offers a tranquil setting to enjoy throughout the seasons.
