WATERFRONT

Set along the tranquil shores of White Lake, this waterfront residence offers a peaceful setting surrounded by mature trees and beautiful views across the water. The property is designed to embrace its lakeside surroundings, with inviting indoor and outdoor spaces and multiple areas to relax and enjoy the scenery.

Inside, this four-bedroom, two-bathroom home offers a finished walkout lower level that extends the living space. A spacious living room is filled with natural light from large windows and enjoys views toward the lake, while the kitchen, family room and dining area provide additional space to gather. The kitchen features abundant wood cabinetry, granite countertops, a centre island and stainless steel appliances, complemented by the warmth and character of a propane stove.

Outdoor living is a natural extension of the home, with a generous deck overlooking the property and White Lake beyond. Mature trees frame the fenced backyard and grounds leading to the shoreline, where a dock provides access to the water. A gazebo, firepit area and open lawn add further spaces to enjoy long summer days and evenings by the lake. A three-car garage provides generous space for vehicles and additional storage.
